environmental engineers & scientists

EXPERT PEOPLE.  
BETTER DECISIONS.

For more than 25 years, XCG has offered our clients, from across a wide range of industry sectors, a comprehensive range of services. Our dedicated staff are focused on delivering client-driven solutions from project start to finish.

When faced with making decisions in today's ever-changing regulatory environment, it pays to have an expert on your side. At XCG, we listen, provide advice and then assist you in arriving at the best possible solution for your project. We incorporate project design and management elements into an overall business strategy and will work with your team until the project has been successfully completed.

“I use XCG because I get high quality reports without the fluff. I don’t need 40 pages of introduction, I need responsive engineers who can provide timely reports and XCG delivers.”

A. Herman, Freshway Developments
